

Graduation Rates for Students Enrolled in 2002

Public Law 101-542 mandates that post-secondary institutions provide students and prospective students with certain “consumer information.”

The graduation rate of students who enroll for the first time in a post-secondary institution is a part of the required information. The following depicts the graduation rate for those students who enrolled for the first time in the fall of the academic year 2002 and graduated by the summer 2005.

Information regarding individual program student graduation rates is available in the Student Services Office.

Number of students enrolled:	80
Number of graduates:	36
Percent:	45%
Number of Special Populations Students Enrolled:	48
Number of Graduates:	21
