

## 2010SPW

### Community Education Classes

#### ✓ **Digital Photography ARTS 113 01SP**

During this course individuals will learn digital photography while working at their own personal skill level, using their own camera. Students will explore camera techniques to achieve better lighting, color, composition, and image quality. This is a hands on class so bring your camera and its manual if you have it.

*Thurs 7-9 pm*

*March 4, 11, 18, and April 1*

*Instructor: Lane Valiante*

*Room: THS #310*

*Cost: \$40.00*

#### ✓ **Financial Workshop for Individual Investors BUSM 116 01SP**

A two week course is being offered to assist individuals in setting financial and investment goals. This class also will

provide a summary of the most common investments used by individuals in reaching their objectives.

*Thurs 7:00-8:00 pm*

*March 4, 11, 18, and April 1*

*Instructor: Kurt Daniels*

*Room: THS #308*

*Cost: \$30.00*

#### ✓ **Business Law BUSM 114 01SP**

This course will offer an introduction into business law. We will learn the differences between sole proprietorships,

partnerships, limited liability companies, and corporations; and which model best fits your particular business. We will also learn basic tax issues and considerations when starting a venture, as well as look at regulatory and liability issues that small business owners may face.

*Tues 7:00-8:30 pm*

*March 2, 9, 16, and 30*

*Instructor: Bart Birch*

*Room: THS #308*

*Cost: \$40.00*

#### ✓ **Cardio Pump PHYE 113 01SP**

75% sculpt 25% cardio. This class is excellent for building lean muscle and will jump start your metabolism. It is for people of all fitness levels. You will need one light set of dumbbells for the upper body (2-8 lbs) and a heavier set for the lower body (8-12 lbs).

*Thurs 7:00-8:00 pm*

*March 4, 11, 18, and April 1, 8*

*Instructor: Elizabeth Dalley*

*Room: THS Wrestling Room*

*Cost: \$35.00*

#### ✓ **Gardening in Teton Valley HORT 108 01SP**

This class will discuss all aspects of gardening in Teton Valley from start to finish. A successful garden in Teton Valley is not a given but this class will help students to get the most from their efforts. The first class will be "Gardening in Teton Valley", followed by "Weed Identification and Control", "Composting", and "Putting Your Garden to Bed".

*Thurs 7-8 or 9*

*March 4, 11, 18, and April 1*

*Instructor: Al Young*

*Room: THS #206*

*Cost: \$40*

#### ✓ **High Altitude Landscaping HORT 103 01SP**

This class will discuss designing and installing landscapes to survive harsh high elevation climates.

Topics will include how to design different landscapes, such as, low maintenance landscape, xeriscaping, native landscapes, and manicured landscapes. All steps to installing landscaping including, grading the site, irrigation, plant selection, fertilizing, mulching and planting will be discussed.

Tues and Thurs 7-9 pm  
Instructor: Jayson Calderwood

March 2, 4, and 9  
Room: THS #207

Cost: \$30.00

✓ **Quilting 101 CRFT 119 01SP**

In this class we will learn about fabric choice, tools of the trade, rotary cutting, sewing, and accurate points with triangles. Helpful handouts will be given at class.

Tues 7-9 pm  
Instructor: Lou Vrabec

March 2  
Room: THS #210

Cost: \$10

✓ **Sampler Quilt CRFT 128 01SP**

Join this class to learn how to make a sampler quilt which can be a wall hanging or a table runner. The class is designed to teach beginners to intermediate quilters. Many quilting techniques will be taught such as simple square rotary cutting, half square triangles, quarter square triangles and flying geese. Quilting pattern handouts will be given at class but please bring your own sewing machine and quilting supplies with you. Contact Jill Birch or Lou Vrabec prior to the first class for instructions on which fabrics will be needed for the class project.

Tues and Thurs 7-9 pm  
Instructor: Lou Vrabec

March 11, 16, and 18  
Room: #210

Cost: \$30

✓ **Finishing Your Quilt/Binding CRFT 129 01SP**

Plan to learn how to get that mitered corner and how to join bindings in this course. Also, learn to make your own

blanket binding with mitered corners or with the addition of decorative piping.

Tues and Thurs 7-9 pm  
Instructor: Lou Vrabec

March 30 and April 1  
Room #210

Cost: \$20

✓ **Photoshop for the Enthusiast DGAR 114 01SP**

This intermediate class will be lead by coauthor/ photographer of "Wild 4 Nature 3D" Joseph Tondro-Smith. In this class you will learn to work with one of the most versatile computer programs out there, Adobe Photoshop. This class will be hands on with a short lecture each night to explain the evening's photo project followed by detailed demonstrations. The four-week series will cover, but is not limited to: photo manipulation, digital illustration, special effects and design. If you can dream it, you can create it. Because of a limited amount of computers in the lab, most students will need to bring their own laptop computer.

Tues and Thurs 7-9 pm  
Instructor: Joseph Tondro-Smith

March 2, 4, 9, 11, 16, 18, 30 and April 1  
Room: #302

Cost: \$70
