

Journeyman License Requirements

- The state of Idaho offers a journeymen's license in the Electrical, Plumbing, and Heating, Ventilation, and Air Conditioning trades. The requirements to receive a journeymen's license are as follows:
- 1) Work 8,000 hours as an apprentice under a licensed journeyman (2000/yr for 4 years)
 - 2) Attend and pass all four years of the Apprenticeship Classes (144 hours/yr & 70% or better)
 - 3) Pass the State Journeyman's Exam

Correspondence Courses

The State of Idaho offers correspondence training in Electrical and Plumbing Apprenticeship through the College of Western Idaho. Certain qualifications must be met to take correspondence as opposed to regular training. Student must live at least 50 miles from the EITC campus to enroll in correspondence courses.

To apply for correspondence contact Rae Lynn Patterson Workforce Training (208) 524-3000 ext. 3345 for more information

Associate of Applied Science Degree for Apprentice/Journeymen

This program is intended for trades and crafts personnel interested in completing the necessary course work to obtain an Associate of Applied Science Degree for Apprentices and Journeymen. Students enrolled in apprentice programs as well as journeymen may be eligible for this Associate of Applied Science Degree program by completing at least 16 general education credit hours at EITC. For information regarding course fees and registration, please contact the Workforce Training & Community Education Program at 1600 S. 25th E, Idaho Falls, ID 83404 or call 524-3000 Ext. 3381, or toll free 1-800-662-0261.

COMMUNITY EDUCATION COURSES

EITC's Community Interest Program is all about bringing people together who want to stir up their creative talents and gain new experiences. Whether it's learning conversational Spanish, photography, or picking up that guitar that's been sitting in the closet for all those years, our classes focus on self-improvement and personal enrichment. It's never too late to learn new hobbies or refine and develop new skills and interests. Be one of the estimated five million people across the country that enrolls in non-credit classes!

OUTREACH COURSES

Workforce Training & Community Education courses are offered in communities located throughout the College's nine-county service delivery area. Programs are currently available in the Salmon, Driggs and St. Anthony. Courses are usually conducted in conjunction with public school districts and small business development centers. Our Community Education Outreach Centers offer business, industry, and residents many of the same opportunities students have who live closer to campus.

Classes are available for those seeking to upgrade or learn new job skills and pursue hobbies. Rural students are also able to choose from a wide variety of online classes without having to leave home. New or expanding businesses can also contact the Workforce Training Manager to discuss customized training opportunities that can be offered in their community.

Rural students and employers are encouraged to contact the Workforce Training & Community Education Manager to suggest new course ideas or to inquire about teaching a class.

ONLINE COURSES

Would you like to acquire valuable new skills from the comfort and convenience of your home or office? Learn how to navigate the Internet, create a Web page, or master the art of Web programming. A variety of online computer classes will help you unlock the powerful

secrets behind all your favorite applications. Our personal enrichment courses will help you prepare for an upcoming test, eliminate debt, write a successful grant proposal, become a professional writer, or chart a new career path. Courses are offered monthly throughout the year beginning on the third Wednesday of each month.

Each six-week course consists of 12 lessons, two each week, that can be accessed using an easy-to-read web interface. Textbooks, unless specified, are not required. These courses are especially convenient for those with work, school, or childcare commitments, physical disabilities, limited access to transportation, or other circumstances that make it difficult to participate in a traditional classroom setting. You will need the following:

- Internet access
- E-mail, Microsoft Internet Explorer or Mozilla Firefox Navigator web browser
- If specified, program software

Before the first lesson:

Register and pay course fee at www.eitc.edu and complete the online orientation.

To take the online class:

- Retrieve the lessons at your convenience (available Wednesdays and Fridays)
- Complete the assignment and homework on the web site within two weeks
- Print letter of completion
