**General Responsibilities:** Seeking an A+ Certified (or experienced) Computer Repair Technician for an established local business in Teton Valley Idaho. Must be familiar with all aspects of computer repair. This is a fast-paced business where quality before quantity is important. Excellent customer service skills a must.

**Job Qualifications:** **A+ Certification or work experience a must.** A high school diploma (or equivalent) and up to 4 years of appropriate experience. College coursework or vocational/technical training may substitute at an equivalent rate for the required experience.

**\*\*Must understand Microsoft Windows Operating Systems from Win XP to Win 10.**

**\*\*Must be able to multi-task; work on multiple machines at once.**

**\*\*Able to adhere to specific standards set and can work without direction.**

This position is a full-service computer repair shop: Hardware, software, upgrades, data recovery, printer installation, remote services, virus/malware. MAC knowledge a plus.

**Preferences:** Training and education in information systems, PC repair and maintenance, computer networking and Microsoft desktop/server operating systems preferred.

**Application Process:** Please call or text for an application. You will be required to complete a hands-on "interview". This may/will include diagnosing and troubleshooting an in house computer.

**Additional Information:** 1 bed/ 1 bath apartment available for discounted monthly rental for the right applicant.
