

STUDENTS Quick Start Guide

Go to <http://www.eitc.edu/techprep.cfm>

- Select High School Advanced Opportunities
- Select Advanced Opportunity Credit Registration

- Select **Go To Student Login Assistant**
Fill in your information & Select **Find Username**

- **If you get the following message:**

Sorry, no student record found with that name and date of birth. Please check your entry.

Then

- Click on **[New Student Account](#)** in the upper right hand corner of your screen.

[Main Login](#)

 [New Student Account](#)

- Follow the prompts to create your user account & click **Submit**. Your "Username" and "Password" will be automatically generated, based on your personal information (See the explanation below).

Required Data

First Name* (please use Proper Case)

Submit

Click Submit to login with your Username and Password above.

- **Create an enrollment record** for each Technical class you are taking. Select the following from the drop-down lists and **click Submit...**
 - **High School**
 - **Teacher**
 - **Class Name / Semester**
 - **Class Period**

Once your new account has been created, and you have "enrolled" in each class, please "**Log Out**". Since you may be returning to the site to register for more classes in high school, **remember your Username and Password**. While logged in, you can view your class history and teacher recommendations, and update personal information.

STEP 2: Select Add Class Enrollment

• Add Class Enrollment

• View Class History

• Courses Offered

• Update Personal Info
