TEAM FALCON DOMINATES AT STATE WEB COMPETITION

BOISE — Students at Eastern Idaho Technical College repeated as web design state champions and dominated the web categories of the post-secondary BPA competition. *"What an amazing group of students. Way to bring home the gold!"* stated Julie Anderson, EITC Web Development instructor.

EITC students competed against other post-secondary students from Boise State University, Idaho State University, College of Southern Idaho and the College of Western Idaho.

Web Design Team:

1st - Cameron Lott, Audrey Malone, Darryl Hardin, Jasmyne Jensen,

2nd - Johnathon Fisher, Glenn Davenport, Jacob Holtom

3rd - Levi Edwards, Luke Morrison, Nick Adams, Michael Larsen

Web Design Fundamentals:

1st - Johnathon Fisher

2nd - Jacob Holtom

3rd - Levi Edwards

4th - Luke Morrison

5th - Nick Adams

Graphic Design:

1st - Nick Adams

2nd - Glenn Davenport

3rd - Michael Larsen

Database Applications:

1st - Luke Morrison

3rd - Audrey Malone

Prepared Speech:

1st - Darryl Hardin

Glenn Davenport represented EITC well as a state post-secondary BPA officer. He is one of the first EITC students to hold leadership positions in the organization.

The EITC Web Development program offers three options, including one-year and two-year options, for students interested in becoming a part of this exciting and growing field. All web development programs at EITC are designed to prepare students for employment by providing hands-on “job ready” competencies through courses that teach skills to build cutting edge web sites from the ground up.
