Dental Assisting

Professional Program Packet

For More information please call Health Professions Counselor at 535-5302
For the 2018 - 2019 school year

Dental Assisting Packets MAY NOT be submitted BEFORE orientation.
Welcome to the CEI Dental Assisting Program. Becoming a Dental Assistant is about becoming a Professional. Professionalism is: What distinguishes people who “HAVE A JOB from those who PURSUE A CAREER.” The following packet explains the expectations of the Dental Assisting program.

Prior to making application to the dental assisting program, individuals should give careful thought and consideration to the physical and mental demands of the dental assisting program and the pressures involved in undertaking the responsibilities of a being a health care provider student.

Completed packet information will be brought with the applicant to the interview with the dental assisting coordinator/instructor which will take place by May 29th, 2018.

Applicants will need to call 535-5341 and schedule an interview after orientation with the coordinator/instructor. Interviews will be done on Tuesdays/Thursdays.

**CEI Dental Assisting Mission Statement**

The Dental Assisting Program of CEI provides a comprehensive dental assisting education, enhanced by the State of Idaho recognized skills for Expanded Function Duties, to a diverse student population. The intent of the program is to provide quality, job-relevant career training designed to promote quality of life and dental care for the student, patients & community.

**Program Description**

The program follows Idaho State Board of dentistry guidelines. The program consists of:

1. Classroom training – didactic
2. Clinical skills training – hands on
3. Clinical experience in CEI clinic and in area dental offices

**Course Description**

Course curriculum provides training necessary to become an integral part of the dental profession. With the CEI Dental Assisting Program education and two (2) years of work related experience a student may take the national DANB examination for Dental Assistants.

**Length of the Program**

- Three (3) semesters
- Fall Semester – Classes on Mon, Tues, Wed, Thurs, Fri
- Spring Semester – Classes on Mon, Wed, Fri & Core Classes on Tues ,Thurs
- Summer Semester – Externship (250 hr.) Meet as a class on Campus once a week

**Degree** - Intermediate Technical Certificate
Dental Assisting curriculum is based on the following:

- Scientific principles
- Dental terminology
- Patient care
- Clinical procedures
- Safety precautions
- OSHA requirements
- Administrative procedures
- HIPAA

Program Costs

In addition to the semester registration fees, a Dental Assisting student can expect to spend an approximate total of $1800 on books, supplies (scrubs, lab jacket, goggles, and shoes), liability insurance, CPR, first aid, and dental conventions and Dental Assisting National Board (DANB) and / or National Occupational Competency Testing Institute (NOCTI) program exit assessments.

Dental Examination

Each student is required to have a dental exam before being admitted to the CEI Dental Assisting Program. The exam may be done by a dentist of your choice and the form in this packet must be completed by the dentist and turned in with the completed packet. It is not required that needed dental treatment be completed before starting the program.

Insurance - Each student will need proof of insurance

- Health Insurance – CEI student fees / Parent / Spouse
- Malpractice Insurance – paid for with registration fees – insurance covers student for program clinical classes & externship hours only
- Without proof of insurance and/or if coverage lapses during any given semester the student will not be allowed to perform any clinical procedure and/or externship.

A student will be responsible for their own insurance and all medical costs during the course of the program.

Personal Appearance

- Piercing – No facial piercing will be allowed
- Ears – One piercing per ear... only small post type earrings may be worn
- Oral piercing – Tongue, lip or cheek piercing is STRICTLY PROHIBITED during the time spent in the dental assisting program if a student comes to class with oral and/or facial piercings they will be asked to leave.
- Tattoos – Any visible tattoo will need to be covered at all times (students with visible tattoos may experience difficulty in finding employment in area dental offices.)
• BBBB rule: No exposed backs, buttocks, breasts, or bellybuttons
• Finger Nails – Artificial nails are not accepted in a clinical/lab setting
• It is recommended that the use of Tobacco Products, Vapors, E-Cigarettes be discontinued

Attendance Policy

CEI Health Professions Division requires regular attendance of classes as part of graduation requirements. Ninety percent attendance is required for classroom, lab, and clinicals. Grades will drop one letter grade for any absences over 10%. Tardiness will not be tolerated.

Confidentiality

CEI Dental Assisting students will be required to sign a Clinical Confidentiality Contract – each student will assume the responsibility for confidentiality. All patient information is considered confidential & will not be discussed with anyone and will not be copied. Breach of contract will result in the offender being suspended from the program.

Clinical Patients

Students will need to provide patients for the following classes:

Fall Semester:
- DTL #125: 1 patient for Home Health Care Instructions (Permission is not needed from dentist).
- DTL #126: 3 patients for Radiology (2 adults -18 or older, 1 child - 5-10yrs) Patients will need Permission from their dentist

Spring Semester: 3 patients for State Expanded Functions Testing (Adult 1 or 2 – 16yrs or older & Child 1 or 2 – 5-11yrs).

Each patient will need to be examined and have a scaling by a dentist at their own expense.

• Dental assistants are exposed to unpleasant sights, sounds and smells. They are exposed to blood, saliva, dental materials and products and communicable diseases.
• Dental assisting requires mature individuals who are emotionally stable that are able to be discreet and have patience and good communication and soft skills.
• Dental assistants also need to have positive self-esteem, have a tolerance toward others and be able to communicate appropriately both verbally and with body language.
• Dental assistants also need to have good manual dexterity, the ability to multi-task, have good organizational skills, and the ability to use critical thinking to solve problems.

I have read the above Dental Assisting Orientation Outline and understand what is expected of me as a Dental Assisting Student.

BACKGROUND CHECK

Criminal background checks are a requirement of the Joint Commission on Accreditation of Healthcare Organizations (JCAHO). Criminal background checks are necessary to meet clinical practicum site requirements during Eastern Idaho Technological Colleges’ (CEI) Health Professions programs.

Individuals who have been charged and/or convicted of a felony or misdemeanor for battery, assault, substance abuse and theft will not be accepted in CEI’s Health Professions programs.

PreCheck is the only approved company that meets HCA requirements.

To register for the background check, see the instructions on the CEI website. These instructions are available on the CEI website – click Programs of Study, then Health Professions, choose your program – look on the right side of screen for LPN, SRT, DTL, MA Student Background Check Instructions.

** You will need to print out your official completed results and provide a copy with your completed application packet.

IMMUNIZATION RECORDS

Read and print the following enrollment form. You will need to provide the records that you currently have to Eastern Idaho Public Health Department. If you are not obtaining immunizations at EIPHD, you will be charged a $10.00 fee to complete your IRIS. Your records will be uploaded to the database. Once the records are complete you may request a print out of your records.

** A copy of your IRIS record must be included in your packet.

You may mail your records along with the enrollment form and a check for $10.00 to:

EIPHD
Attn: Immunizations Program
1250 Hollipark Drive
Idaho Falls, Idaho 83401
533-3235

You may also go directly to the facility. If you chose to go to the facility in person please identify yourself as an CEI student. Do not wait until the last minute to do this. The Eastern Idaho Public Health Department is not obligated to provide you with this information at your convenience.

Note: Titers are now able to be filed on the IRIS form. You need to have them drawn at Express lab and submit a copy of the results demonstrating immunity. Tell them it is for CEI program entrance.
