

Public Law 101-542 mandates that post-secondary institutions provide students and prospective students with certain "consumer information." The graduation rate of students who enroll for the first time in a post-secondary institution is a part of the required information.

The following depicts the graduation rate for those student who enrolled for the first time in the fall of academic year **1999 and graduated by the summer of 2002**. Information regarding individual program student graduation rates is available in the Student Services Office.
