Public Law 101-542 mandates that post-secondary institutions provide students and prospective students with certain consumer information. The graduation rate of students who enroll for the first time in a post-secondary institution is a part of the required information. The following depicts the graduation rate for those student who enrolled for the first time in the fall of academic year 2000 and graduated by the summer of 2003. Information regarding individual program student graduation rates is available in the Student Services Office.
