

Graduate Instructions for 2008 Commencement

Graduates meet at the Civic Auditorium by 6:15 p.m. Tuesday, May 6th. **PLEASE BE ON TIME.** Go to the north ticket booth and pick up your name card. Please check for accuracy and make any notations that would be helpful in the pronunciation of your name. Proceed to the Idaho Falls High School (south) hallway. **Line up in the hall by program. Within each program, individuals receiving a certificate are to be first in line, followed by individuals receiving an associate degree.** Following the EITC graduates, those receiving their GED or HSEC will line up. EITC staff will direct you as you enter, and are seated. At the appropriate time you will be directed to approach the stage (one row at a time), return from the stage, and return to your seat. At the conclusion you will be directed as you exit. Exit immediately and do not stop to visit. *The following diagram will help guide you through the processional.*

Remember to be very quiet in the halls, on the stairs, and especially approaching the reader backstage. Thank you.
